

# Material Safety Data Sheet

## Section I: Product Identification

**Name:**

Aesthe Skin Care

**Address:**

1357 N. Milwaukee Ave.

Chicago, IL 60622

**Emergency Telephone:**

800.825.6776

**Date Prepared:** 12.12.13

**Customer Name:** \_\_\_\_\_

**Trade Name:** Alpha Peel

## Section II: Physical Data

**Ingredients:**

Salicylic Acid, Malic Acid

**pH:**

3.5-4.5

**Soluble:**

Insoluble

**Appearance and Odor:**

Pleasant odor

## Section III: Spill or Leak Procedures

Steps to be taken in case material is released or spilled: Small Spills: Wipe up small spills with cloth and rinse floor with warm soapy water. Large Spills: Floors will become slippery; avoid falling. Scoop up material in waste containers, and then wash down floor with warm soapy water. Waste Disposal Method: Land fill per local, state, and federal regulations.

## Section IV: Hazards Identification & First Aid Measures

**Warnings:**

Do not use unless specifically trained and licensed. Do not leave your client unattended.

For professional use only and not intended for retail sale.

**Eye Contact:**

Do not allow contact with eyes. Contact with the eyes may result in moderate to severe irritation to eyes. Immediately flush eyes with plenty of water.

**Skin Contact:**

Prolonged contact with skin may result in moderate to severe irritation. Wash skin thoroughly with soap and water.

**Inhalation:**

Not likely to occur under normal conditions of use.

**Ingestion:**

May cause irritation, nausea and vomiting if swallowed.

**Heat:**

Any activity that induces heat and/or sweating can cause water to become trapped between the epidermal layers and may result in blistering, leading to an uneven skin tone and discomfort. Remain cool for 48 hours post-peel to avoid any heat-related complications post-treatment.

**Precautions to be taken in handling and storing:**

Product poses no danger. Store in original container at room temperature to protect product.

## Section V: Other Information

The preceding information is based upon available data and is believed to be correct. However, no warranty is expressed or implied. Since this information contained herein may be applied under conditions beyond our control and with which we may be unfamiliar, Aesthe Skin Care does not assume any responsibility for the results of its use. This information is furnished upon the conditions that the person receiving it shall make their own determinations of the effects, properties, and protections which pertain to their particular conditions. Further, all Aesthe Skin Care products designated for professional use (including peels) are to be administered by licensed professionals properly trained in their use.
